

Walk-A-Thon

2018 Fall Fundraiser
November 2

We are calling on all St. Coleman families to support the SCS Home & School Association's Walk-A-Thon fundraiser! This annual event spans four weeks and ends with our fun Walk-A-Thon on November 2. This year's fundraising goal is \$30,000. The money will help fund our new STREAM Lab as well as improvements around campus that students and families will enjoy for years to come.

Walk-A-Thon

November 2

Three fundraising goals with fun and prizes for each.

Student Fundraising Goals

It's easy; the more you raise, the more you win. For example, raise \$35 and get an awesome short sleeve t-shirt. Raise just \$15 more and you get a chance to spin-to-win even more prizes. Raise \$50 more, and you've landed the next prize. So get out there, show your school spirit, and raise those funds!

Classroom Competition

Teamwork Award

If EVERY child in a classroom contributes \$35 by the first collection (October 11, 2018), that classroom will earn an ice cream party.

Top Selling Class

The classroom that raises the most money will receive a catered lunch, and the homeroom teacher will receive a \$50 gift card of his/her choice.
