Parent Volunteers

Parents, please keep your online **Virtus** account up-to-date by reading your monthly bulletins. Accounts with six or more unread bulletins are inactivated. If you need your account unlocked, please contact Jan Rayburn, jrayburn@theadom.org, to have it reactivated.

iPhone Donations

If a new iPhone is on your Christmas list, and you no longer have a use for your old 6, 6+, 7, or 7+ model, please consider donating it to the STREAM Lab (reset to factory default). We can enroll the devices in our MDM and use them for Augmented Reality experiences with our Merge headsets.

SCS Re-Registration is Live

The primary contact for each PreK to 7th grade student received an email last Friday with a link directly to the form within your PlusPortals account. Re-registration needs to be completed online by Friday, January 25th to reserve your child(ren)'s space in next year's class. Thank you to the **37%** of our SCS family that have already completed and submitted their forms.

To register a student that is not currently enrolled at SCS, visit www.stcoleman.org/admissions.

January Sports Tryouts

All 5th-8th grade students interested in trying out for a sport must have the **ADoM Athletic Release and Physical Evaluation** forms completed and turned in to the Athletic Directors before tryouts. Forms can be found on the athletics page of the school website: www.stcoleman.org/athletics.
